4-5-20251001

Figure 1 displays a 5x4 grid of heatmaps showing the spatial distribution of the number of nodes in each cell. The rows are labeled "DiscoPoP alone" and the columns are labeled "rep 1", "rep 2", "rep 3", and "rep 4". The heatmaps show a clear pattern of high values (red) in the top-left corner and low values (blue) in the bottom-right corner, indicating a spatial bias in the network structure.
